6. The same individual can only be awarded once for a STEP travel grant.
  
7. A maximum of two individuals can be awarded for the same initiative, with individually written and submitted personal applications for each traveller and clearly justified and complementary roles for each person in the travel itinerary. Each application will be considered individually.
  
8. The following are excluded from funding under the STEP programme:
  - art therapy

## Funding specification

We fund round trips within Europe and to/from its neighbouring countries. All travel directions are eligible, except for travels between Algeria, Egypt, Israel, Jordan, Lebanon, Libya, Morocco, the Palestinian Territories, Syria and Tunisia.

## Grant Sums

Kilometres per one way*	Travel by train/coach (EUR)**	Travel by airplane (EUR)
100 - 700	250	No funding
701 - 1,500	500	300
> 1,500	700	500

**\*The amount of the grant sum is based on the calculation of the journey for one direction.** The awarded grant, however, is meant to cover the full round trip (both ways).

\*\*For environmental reasons, we particularly encourage applicants to travel over land, e. g. by train, which is widely accepted as the least polluting means of mass transportation and domestic public transport.

The payment of the travel grant will be made by ECF within 3 - 4 weeks, once all requested travel documents (e.g. original tickets for in- and outbound travels) and a travel story have been submitted by the grantee. Grants are only issued upon completion of the journey and the provision of required travel documents.

## Conditions

The minimum distance travelled must be 100 km by the straightest route (as calculated already automatically in the application form). Travels between 100 and 700 km must happen by train/coach, unless not possible due to political/infrastructural reasons.

The grant amounts are not negotiable. STEP Travel Grants are only meant as a contribution towards international travel ticket expenses (and visas, if applicable). If your travel expenses exceed the grant allowed, we encourage you to look for additional support elsewhere.

## Procedure

Only complete applications written in English by the person travelling will be considered. Applications should include the following:

- a completed application form
- a completed budget
- a personal CV, including travel history (max. 2 pages)
- a digital copy of the invitation letter(s) in English, personally addressed to the traveller, including:
  - full name, address and official logo of the partner organisation
  - a signature by the representing contact person
  - name and address of the traveller
  - acknowledgement of the collaboration
  - an activity plan for the applicant's visit
  - an indication if any costs will be covered by the partner organisation (cash or in-kind)
  - acknowledgement of the STEP travel grants support in any communication material deriving from the visit.
